

2.9.5 Emergency plan Haarlem Jamborette 2019 (Participants)

FIRE

1. Check if your surroundings are safe. Don't put yourself, the casualty or others at risk.
2. Report the fire to a Jamborette staff-member or at Team Stewards. Report WHAT is on fire and where the fire is located.
3. If there is no one to report to: Call Team Stewards +31 (0)85-27 33 401
(Do not call 112, Team Stewards will do that to give necessary instructions to the fire brigade)
4. Try to extinguish the fire if that's safe to do.
5. Remain at a safe distance from the fire and wait for help and instructions of team Stewards

ACCIDENT/FIRST AID

6. Check your surroundings are safe. Don't put yourself, the casualty or others at risk.
7. Report the accident to a Jamborette staff-member, Team Stewards or at Team Medical/First Aid. Report WHAT has happened and WHERE you are.
8. If there is no one to report to: Call Team Stewards +31 (0)85-27 33 401
(Do not call 112, Team Stewards will do that to give necessary instructions to the ambulance)
9. Only try to help the casualty if that is safe to do and you are a trained in First aid procedures.
10. Wait for help and instructions of team Stewards or Team Medical/First Aid.

CALAMITY

1. In case of disasters or large calamities the evacuation alarm will sound. (Siren)
2. Immediately stop your activities.
3. Immediately go to the assembly point at your own subcamp. Do not go to your own tent.
4. Check in at your group leaders. Group leaders check in at the subcamp staff.
5. Wait for instructions of the subcamp staff.

During alarm situation or other large calamities the use of cell-phones is forbidden!!!
